EDUCATION

Sri Venkateswara University

MCA Masters

CGPA: 8.1

Tirupathi, India

August 2024 - June 2026

Sri Krishnadevaraya University

Computer Science Bachelors

CGPA: 8.3

Anantapur, India

July 2021 - April 2024

Space Junior College

MPC Intermediate

Percentage: 91%

Kadiri, Sri Sathya Sai Dist

July 2019 - April 2021

SKILLS

Programming Languages: Java, DSA
Libraries/Frameworks: JavaScript, Spring (Basic)
Tools / Platforms: Git, GitHub, Eclipse, VS Code, AWS
Databases: SQL, MySQL

PROJECTS / OPEN-SOURCE

Smart QR Code-Based Attendance Management System *Java, Spring Boot, MySQL, HTML5, CSS3, JavaScript*

Developed a QR Code Based Attendance Management System using Java Spring Boot, MySQL, HTML, CSS, Bootstrap, JavaScript, and JWT for secure attendance management. Implemented dynamic QR code generation with time-based validation, enabling students to mark attendance by scanning QR codes. Built role-based authentication, attendance tracking, and report management to improve accuracy, security, and administrative efficiency.

AI-Powered Fake News Detection System *Java, Spring Boot, Weka Machine Learning, MySQL, HTML5, CSS3, JavaScript*

Developed an AI-Powered Fake News Detection System using Java, Spring Boot, and Weka Machine Learning to classify news articles as real or fake. Implemented secure authentication with Spring Security and JWT, and integrated MySQL for user and prediction history management. Designed a responsive web application using HTML, CSS, JavaScript, and Bootstrap following the MVC architecture.

CERTIFICATIONS

- Java Full Stack Developer - Dhee Coding Labs(DCLBTM08APR26OFJFS#008).
- Earned the LeetCode 50 Days Badge - Leetcode.
